

Louden

DJ // Producer

Louden has always had a great passion for music since he was a child. So he started early producing electronic music at the age of 16 until, after a few years, he decided to create a well-defined artist profile about himself with which he started releasing his tracks and playing in several clubs in his hometown proposing a sound based on house and techno shades.

He has released on Stereo Productions, Defined Music, Safe Music, Underground Source, Moustache Label, Chapeau Music, Effektive Music and received great support from wAFF, De La Swing, WADE, Raffa FL, Klangkuenstler, Javi Lopez, Rich Wakley, Di Chiara Brothers, ItaloBros, Simone Liberali, MadTech Records.
